DAILY STAFF MEETING

Thursday, 27 December 1951

HR70-14

Mr. Becker explained briefly the procedure for organizing an agenda of possible questions that might be raised by Mr. Churchill on his forthcoming visit and the collection of a ready reference portfolio for briefing the Director. It was agreed that [REDACTED] would have her suggestions by tomorrow morning, at which time the remainder of the group could review them and make any additional suggestions that might occur to them.

Colonel Hansen reported briefly on the status of the Progress Report. It was indicated that this report is to be in extremely short form, but this information is not for general circulation within the Agency.
